WAGM: www.wagmtv.com
WABI: www.wabi.tv

- DEEP rarely cancels programs and will only do so as a last resort.
- Unless you hear specifically that the DEEP class is cancelled, you may assume that the class will be held as scheduled. For example, even if a school where a DEEP class is held may be closed, the DEEP class will still take place if we have access to the facility.
- If a class is cancelled due to stormy weather, a make-up class will be scheduled to take place as soon as possible and DEEP will notify you of the day, time, and location.
- If you live out of state and do not have access to the radio and television stations listed above, please call the DEEP office at **207-626-8600** Monday – Friday between 9:00 am and 4:30 pm. If the office is closed due to the weather, there will be a recording at this number with information regarding the class schedules.
- If you must cancel due to the weather, please make every effort to do so as soon as possible.
- DEEP will not charge any additional fee if class is cancelled due to bad weather or if you notify DEEP prior to your class that you cannot attend due to bad weather.
